

## FOSTER APPLICATION

### **JUST PAWS WOULD NOT EXIST WITHOUT OUR FOSTERS, THEY ARE THE BACKBONE OF OUR RESCUE ORGANIZATION!!**

- We provide it all - vetting, food, treats, toys and medical needs for your foster dog.
- Foster care can be one week or a few months.
- Each foster family is assigned a Foster Liaison - they will answer all questions and provide support throughout each foster experience. You will part an integral part of our Just Paws family and your liaison will be your contact for any concerns that you may have
- There will be possible accidents, anxiety, barking, chewing etc. The dogs come into our rescue - some as strays and some as surrenders and all will usually require some level of training.
- We also ask for updates, pictures, videos, and bios from you in order to help your dog be adopted.
- You will need to be comfortable with families visiting your home once the approval process has been completed in order to meet the dog.
- You must be the homeowner and over 21 years of age. All children in the home must be over 8 years of age.
- All Pets must be fully vaccinated unless deemed ineligible by your vet for medical reason. - Foster will not be placed in a home with indoor smokers/vapers.
- If you already have a pet, we will need to speak to your vet before you can start fostering. Please ensure that you call your vet to provide permission to release information to us.
- Please complete the application in "Real Life" and not "COVID Life".
- We try to accommodate each foster with a dog that suits their lifestyle but hope fosters will be open to any dog that needs a safe place to land.
- Foster dogs can be a flight risk so we also need to keep their safety in mind during their foster stay with you. We DOUBLE LEASH ALL of our fosters to mitigate any chance of escape. There are other safety precautions to keep your foster safe that you will be required to take which will be discussed with you once you are approved to foster.

**\*\*\*IT TAKES COMMITMENT, TIME, PATIENCE, COMPASSION AND A TON OF LOVE TO BE A FOSTER PARENT BUT IT WILL BE ONE OF THE MOST REWARDING EXPERIENCES OF YOUR LIFE!!\*\*\***
